

Question:

How do I add a photo to my profile?

Answer:

There are many ways our members can add a photo to their profile:

- The fastest method is to use our photo management page, accessed by [clicking here](#), or by clicking the "Add/Manage Photos" link under the My Profile heading on your member home page.
- Email us your photo by sending it as an attachment to team@ChineseLoveLinks.com. Ensure you include your member number in the email.
- Post your photo to the address on our [contact page](#). Ensure you include your member number with the photo (it's best to write it on the back). If you want the photo returned to you, please include a self-addressed envelope and the correct Australian postage.
